Dear Sir/Madam,

In accordance with the Food & Drug Cosmetic Act 21CFR Section 101.93, the statement(s) for dietary supplements listed below have been included as labeling for the following product:

Dr. Art Ulene's Feeling Fine™ Men's High Potency Formula

Statements:

Formulated To Include Nutrients That Support The Heart, Prostate And Immune System Functions

Buffered Vitamin C is included for antioxidant support and for collagen formation in bones and connective tissues.

Citrus Bioflavonoids are included to boost Vitamin C activity.

Folic acid, B6 and B12 support heart health.

B Vitamins support normal function of the nervous system and the release of energy from food.

...calcium and magnesium are included in a balanced ratio to support bone health.

Zinc and copper are provided in balance to nutritionally support heart health.

Selenium and iodine support proper thyroid function and its corresponding effects on metabolism.

Vitamin E is an antioxidant that works to neutralize free radicals, which helps prevent damage to the heart and blood vessels.

I certify that the information contained in this notice is complete and accurate and we have substantiation that these statements are truthful and not misleading.

Sincerely,

Dave Brubaker

CEO and President 975-0162
